“VWR has the policy to select reliable transport organisations, offering an excellent quality. For that reason Hytech has the responsibility for the majority of the supply of the VWR sales within the UK and Ireland. Due to the involvement and efforts of their staff, even with the most challenging requirements, Hytech proved to have an excellent record concerning service and reliability during the last couple of years.”

Drs. Nico. Th. Vet CPIM, Director Distribution Network Europe, VWR International.
