

REVERSE LOGISTICS GROUP

E-Commerce Returns

Hytech Logistics in partnership with Cycleon optimise returns for some of the world's top brands by providing a seamless end-to-end returns experience whilst reducing the environmental impact and cost through our global platform and logistics network. We specialise in fully integrated shipping solutions, local returns handling and smart routing as well as providing insights and updates that help you keep track of your returns network every step of the way.

- » **Single returns platform**
- » **Easy system integrations**
- » **Insights into returns data**
- » **Local carrier network**
- » **Enhanced customer journey**
- » **Cost savings**
- » **Quick refunds**
- » **All leading to satisfied customers**

“We’re excited to be extending our partnership with Hytech Logistics after a successful term of cooperation, to ensure that we continue to offer our clients a top returns experience in the Irish market.”
