QUALITY POLICY

It is the policy of Hytech Logistics to meet and exceed the requirements of our customers, through the delivery of high quality, effective and efficient service.

Through our Integrated Management System we plan, monitor, measure and improve our performance to ensure the achievement of our quality objectives.

We have implemented a system which incorporates the requirements of ISO9001:2015, to provide an independently verifiable framework within which, we can ensure the effectiveness of our system and its processes.
